

## Fill in the gaps

| This vacation's useless            |  |  |  |
|------------------------------------|--|--|--|
| These white pills aren't kind      |  |  |  |
| I've given a lot of thought        |  |  |  |
| On this 13-hour drive              |  |  |  |
| I miss the grinding concrete       |  |  |  |
| Where we sat past 8 or 9           |  |  |  |
| And slowly (1) laughing            |  |  |  |
| In the glow of our headlights      |  |  |  |
| I've given a lot of thought to     |  |  |  |
| The (2) we use to have             |  |  |  |
| The days have (3) and gone         |  |  |  |
| Our lives went by so fast          |  |  |  |
| I faintly remember breathing       |  |  |  |
| On (4) bedroom floor               |  |  |  |
| Where I laid and told you          |  |  |  |
| But you sweared you loved me more  |  |  |  |
| Do you care if I                   |  |  |  |
| Don't know what to say             |  |  |  |
| Will you sleep tonight             |  |  |  |
| Or will you think of me            |  |  |  |
| Will I shake this off              |  |  |  |
| Pretend its all okay               |  |  |  |
| That there's someone out there     |  |  |  |
| Who feels just like me             |  |  |  |
| There is                           |  |  |  |
| Those notes you wrote me           |  |  |  |
| I've (5) them all                  |  |  |  |
| I've given a lot of thought        |  |  |  |
| Of how to write you back this fall |  |  |  |
| With every single letter           |  |  |  |

In every single word

| rnere will be a nidden mess  | sage         |          |
|------------------------------|--------------|----------|
| About a boy (6)              | (7)          | _ a girl |
| Do you care if I             |              |          |
| Don't know what to say       |              |          |
| Will you sleep tonight       |              |          |
| Or will you think of me      |              |          |
| Will I shake this off        |              |          |
| Pretend its all okay         |              |          |
| That there's someone out     |              |          |
| There who (8)                | just like me |          |
| There is                     |              |          |
| Do you care if I             |              |          |
| Don't know what to say?      |              |          |
| Will you sleep tonight       |              |          |
| Will you think of me         |              |          |
| Will I shake this off        |              |          |
| Pretend its all okay         |              |          |
| That there's someone out the | nere         |          |

| Don't (9) what to            | say?         |          |

| Will I shake this off        |              |          |
| Pretend its all okay         |              |          |
| That there's someone out the | nere         |          |
| Who feels just like me       |              |          |
