

## Animal City by Shakira

La la la la lei
La la lei
La la la la la lei
La la lei
Why do all my friends
Now want to be (1) lovers?
Your family got bigger
When they (2) you were rich
And now like maniacs
They (3) your back
Even when it doesn't itch
I want to figure it all
I want to figure it all out
I want to (4) you from
Save you from all the fame
Save you from the things that cause us pain
Cause it's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to fight you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to fight you
My love
They believe you now
Have everything you wanted
And once you have become a star
You got no right to bitch
But someday when you fail
They'll put you on sale
And buy you by the inch
But you're the real deal
And "real" is your (5) name

You know sometimes I feel

## Fill in the gaps

I gotta earn every (6) you take
Baby, never mind the rules we break
Cause it's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to (7) you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready rip you right off
With you I feel safe
There's nothing to fear from us
Away from the fangs
The fangs of the world
I may be a coward but you are brave
And nothing seems so dangerous
Cause it's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to bite you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready rip you right off
Cannibal world
Cannibal world
Cannibal world
Cannibal world
So be obedient, don't argue
Some are (8) to (9) you
My (10)
You can call me a sinner but you can't call me a saint

celebrate me for who I am dislike me for what I ain't.
