Soul To Squeeze by Red Hot Chili Peppers

I've got a bad disease
Up from my brain is where I bleed
Insanity it seems
It's got me by my soul to squeeze
Well all the love from me
With all the dying trees I scream
The angels in my dreams, yeah
It turned to demons of greed, that's me
Where I go I just don't know
I've got to got to gotta take it slow
When I find my peace of mind
I'm gonna give you some of my good time
Today love smiled on me
It took away my pain say please

Where I go I just don't know
