Just Lose It by Eminem

Fill in the gaps

Down, down, down, down down
Down, down, down
Okay, guess who's back, back again
Shady's back, tell a friend
Now everyone report to the dance floor
To the dance floor, to the dance floor
Now (1) report to the (2) floor
Alright stop, pajama time
Come here (3) kiddies on my lap
Guess who's back with a brand new rap
And I don't mean rap as in a new case
Of (4) molestation accusations
(Ah ah ah ah ah) no worries
Papa's got a brand new bag of toys
What else (5) I possibly do to make noise?
What else (5) I possibly do to make noise? I've done touched on everything but (6) boys
I've done touched on everything but (6) boys
I've done touched on everything but (6) boys That's not a stab at Michael
I've done touched on everything but (6) boys That's not a stab at Michael That's just a metaphor, I'm just psycho
l've done touched on everything but (6) boys That's not a stab at Michael That's just a metaphor, I'm just psycho I go a little bit crazy sometimes

And everyone just heard you let one rip						
Now I'm gonna make you dance						
It's your chance						
Yeah boy, shake that ass						
Whoops I (9) girl, girl girl girl						
Girl you (10) you're my world						
Alright now lose it (ah ah ah ah ah)						
Just lose it (ah ah ah ah ah)						
Go (11) (ah ah ah ah ah)						
Oh baby (ah ah) oh baby, (12) (ah ah)						
It's Friday and it's my day						
Used to party all the way to Sunday						
Maybe 'til Monday						
I don't know (13) day						
Everyday's just a holiday						
Cruisin' on the freeway, feelin' kind of breezy						
Let the top (14) and my hair blow						
I don't know where I'm goin'						
All I know is when I get there someone's gonna						
(Touch my body)						
Excuse me miss, I don't mean to sound (15) a jerk						
But I'm feelin' just a little stressed out from work						
Would you punch me in the stomach and pull my hair						
Spit on me, maybe (16) my eyes out (yeah)						
Now what's ya (17) girl, what's ya sign?						
(Man you must be up out yo mind)						
Dre (ah ah) (18) goggles, blind						
I'm (19) tryin' to unwind (now I'm)						
Now I'm gonna make you dance						
It's (20) chance

It's Tuesday and I'm locked up
I'm in jail and I don't know what happened
They say I was runnin' (21) naked
Down the street screamin' (ah ah ah ah)
Well I'm sorry, I don't remember
All I know is this much, I'm not guilty
They said "Save it, boy we got you on tape
Yellin' at an old lady" (touch my body)
Now this is the part where the rap breaks down
It's real intense, no one makes a sound
Everything (22) like it's "8 Mile" now
The beat comes back and (23) lose themselves
Now snap back to reality, look! there's B. Rabbit
"Oh you signed me up to battle? I'm a (24) man!"
(Tubba tubba tubba tubba tubba (25) tubba)
I don't (26) any lines to go right here so, chubby
Tellytubby (27) (what) fellas (what)
Grab (28) left nut, make your right one jealous (what)
Black girls, white girls, skinny girls, fat girls
Tall girls, small girls, I'm calling all girls
Everyone report to the dance floor
It's your chance for a (29) romance or butt squeezin'
It's the season, just go (ah ah ah ah)
