the lie

Spend all your time waiting		And the storm keeps on twisting
For that second chance		You keep on (6) the lie
For a break (1) would (2) it okay		That you make up for all that you lack
There's always some reason		It don't make no difference

I need (3) distraction		In (7) sweet madness
(Oh) beautiful release		(Oh) this glorious sadness that
Memory seeps from my veins		Brings me to my knees
Let me be empty		In the arms of an angel
And weightless and maybe		Fly away from here
I'll (4) some peace tonight		From this dark cold hotel room
In the arms of an angel		And the endlessness that you fear
Fly away from here		You are pulled (8) the wreckage
From this dark cold hotel room		Of (9) silent reverie
And the endlessness that you fear		You're in the (10) of the angel
You are pulled from the wreckage		May you find
Of your silent reverie		Some comfort here
You're in the arms of the angel		You're in the arms of the angel
May you find		May you find
Some comfort here		Some comfort
So tired of the straight line		Here
And everywhere you turn		
There's (5)	and thieves at your back
