Monarchy Of Roses by Red Hot Chili Peppers

The crimson (1) is flowing thru	The monarchy of roses
Your fingers as you sleep	The monarchy of roses tonight
The (2) of a clean regime	Several of my (16) friends wear
Are promises we keep	The colors of the crown
Do you (3) it (4) I ask	Mary wants to build it up
And are you up to task	And (17) (18) to tear it all back
The calicos of Pettibon	down girl
Where (5) to clash	The savior of your light
Several of my best friends wear	The monarchy of roses
The colors of the crown	The monarchy of roses
Mary wants to build it up	Hey, hey
And Sherri wants to tear it all back down girl	We all want the rose you know
The (7) of your light	I said, hey hey
The monarchy of roses	Show us love (19) you go
The (8) of (9) tonight	Say I (20) then say I want to
The cross between my former queen	They story knows that I will always (21) you
Her legendary stare	Hey, hey
The holy tears of Ireland	We all (22) the rose you know
A lovely cross to bear	I said, hey hey
Several of my best (10) know	Show us love before you go
The (11) of this town	Say I (23) never (24) you
Mary (12) to raise it up	The story knows that I will never taunt you
And (13) (14) to spin it all	Hey
around girl	
The (15) of the night
