

Fill in the gaps

Monarchy Of Roses by Red Hot Chili Peppers

The (1) tide is flowing thru	The monarchy of roses
Your fingers as you sleep	The monarchy of roses tonight
The (2) of a clean regime	Several of my (14) friends wear
Are promises we keep	The colors of the crown
Do you (3) it rough I ask	Mary (15) to build it up
And are you up to task	And Sherri (16) to tear it all back (17)
The calicos of Pettibon	girl
Where cultures como to clash	The savior of (18) light
Several of my best friends wear	The (19) of roses
The (4) of the crown	The (20) of roses
Mary wants to build it up	Hey, hey
And Sherri (5) to tear it all back down girl	We all want the (21) you know
The (6) of your light	I said, hey hey
The monarchy of roses	Show us love before you go
The monarchy of (7) tonight	Say I will then say I want to
The (8) between my former queen	They (22) knows that I will always haunt you
Her legendary stare	Hey, hey
The holy (9) of Ireland	We all (23) the rose you know
A lovely (10) to bear	I said, hey hey
Several of my best friends know	Show us (24) (25) you go
The secrets of (11) town	Say I (26) never taunt you
Mary wants to raise it up	The story knows that I will never taunt you
And Sherri wants to spin it all (12) girl	Hey
The (13) of the night
