

## Fill in the gaps

I
I am a one way motorway
I'm the one that drives away
Then follows you back home
I
I am a street light shining
I am a wild light blinding bright
Burning off alone
It's (1) like (2) you learn to
(3) again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these time and time again
1
I am a new day rising
I'm a brand new sky to hang
The stars upon tonight
I .
I am a little divided
Do I stay or run away

And leave it all behind?
It's times like these you learn to live again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these time and time again
It's times like these you (4) to live again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these (5) and time again
It's (6) like these you (7) to
(8) again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these you learn to love again It's times like these time and time again
,
It's times like these time and time again
It's times like these time and time again It's times like these you learn to live again
