

Temper

Fill in the gaps

What have we done with innocence	Temper
It disappeared with (1) it never made much sense	Temper
Adolescent resident	One last thing before I quit
Wasting another night on planning my revenge	I never wanted any more than I could fit
One in ten	Into my head I still remember
One in ten	Every single word you said
One in ten	And all the (4) that somehow came along with it
Don't want to be your (2) wrench	Still there is one thing that comforts me
One more indecent accident	Since I was always caged and now I'm free
I'd rather leave than suffer this	Don't want to be your monkey wrench
I'll never be your monkey wrench	One (5) indecent accident
All this time to make amends	I'd (6) leave (7) (8)
What do you do when all your enemies are friends?	this
Now and then I'll try to bend	I'll never be (9) monkey wrench
Under pressure wind up snapping in the end	Don't want to be your monkey wrench
One in ten	(Fall in fall out)
One in ten	Don't want to be your monkey wrench
One in ten	(Fall in fall out)
Don't want to be your monkey wrench	Don't want to be your monkey wrench
One more indecent accident	(Fall in fall out)
I'd rather (3) than suffer this	Don't want to be your monkey wrench
I'll never be vour monkey wrench
