

## Fill in the gaps

Hello	And now
I've waited here for you	I know you've always been
Everlong	Out of your head, out of my head I sang
Tonight	And I wonder
I throw myself into	When I sing (5) with you
And out of the red, out of her head she sang	If everything (6) ever feel (7) real
Come down	forever
And waste away with me	If anything could ever be this good again
Down with me	The only thing I'll ever ask of you
Slow how	You've got to promise not to stop when I say when
You wanted it to be	She sang
I'm over my head, out of her head she sang	And I wonder
And I wonder	If everything could ever feel this real forever
When I sing along with you	If anything could ever be this good again
If everything (1) (2) feel this real	The only thing I'll ever ask of you
forever	You've got to promise not to stop (8) I say when
If anything could ever be this good again	If everything could ever feel this real forever
The only thing I'll (3) ask of you	If (9) could ever be this good again
You've got to (4) not to stop when I say	The only thing I'll ever ask of you
when	You've got to promise not to stop (10) I say when
She sang	
Breathe out	
So I could breathe you in	
Hold you in
