

Fill in the gaps

Hello	And now
I've waited here for you	I (9) you've always been
Everlong	Out of your head, out of my head I sang
Tonight	And I wonder
I throw myself into	When I sing along (10) you
And out of the red, out of her head she sang	lf (11) could (12)
Come down	(13) this real forever
And waste away with me	If anything could (14) be (15)
Down with me	(16) again
Slow how	The (17) thing I'll (18) ask of you
You wanted it to be	You've got to promise not to stop when I say when
I'm (1) my head, out of her (2) she sang	She sang
And I wonder	And I wonder
When I sing (3) with you	If (19) could ever feel this rea
If everything (4) ever feel this (5)	forever
forever	If anything could (20) be this good again
If (6) (7) (8) be	The (21) thing I'll ever ask of you
this good again	You've got to promise not to stop (22) I say when
The only thing I'll ever ask of you	If everything could ever feel this real forever
You've got to promise not to stop when I say when	If anything (23) ever be this (24)
She sang	again
Breathe out	The (25) (26) I'll ever ask of you
So I could breathe you in	You've got to promise not to stop when I say when
Hold you in
