

## Fill in the gaps

I got (1) by you	This is the way I (6) that it would be with you
Closer than most to you	Lay on, lay on, lay on
What am I supposed to do	Lay on, lay on, lay on
Take it (2) I never had it anyway	Way upon the mountain where she died
Take it away and everything will be okay	All I ever wanted was your life
In you a (3) is born	Deep inside the canyon I can't hide
You cut a perfect form	All I ever wanted was your life
Someone (4) warm	I got dosed by you
Lay on, lay on, lay on	Closer than most to you
Lay on, lay on, lay on	What am I supposed to do
Way upon the mountain where she died	Take it (7) I never had it anyway
All I ever wanted was your life	Take it away and everything will be okay
Deep inside the canyon I can't hide	Way (8) the (9) where she
All I ever wanted was your life	died
Show love with no remorse	All I ever wanted was your life
Climb onto your seahorse	Deep (10) the canyon I can't hide
This (5) is right on course	All I ever wanted was your life
This is the way I wanted it to be with you
