

I'll show you everything

## Fill in the gaps

Well I just heard the news today		With arms wide open
It seems my life is going to change		Wide open
l (1)	my eyes, begin to pray	If I had just one wish
Then tears of joy stream down my face		Only one demand
With arms wide open		I hope he's not like me
Under the sunlight		I hope he understands
Welcome to this place		That he can take (3) life
I'll show you everything		And (4) it by the hand
With arms wide open		And he can (5) the world
With arms wide open		With arms wide open
Well I don't know if I'm ready		With arms (6) open
To be the man I have to be		Under the sunlight
I'll take a breath, I'll take her by my side		Welcome to this place
We stand in awe, we've created life		I'll show you everything
With arms wide open		With arms wide open
Under the sunlight		Now (7) has changed
Welcome to this place		I'll show you love
I'll show you everything		I'll show you everything
With arms wide open		With arms (8) open
Now everything has changed		With arms (9) open
l'll (2)	you love
