4 In The Morning by Gwen Stefani

Fill in the gaps

Waking up to find another day	& nothing less cause
The moon got lost again last night	You know I give you all of me
But now the sun has finally had its say	I give you everything (3) I am
I guess I feel alright	I'm handin' over everything that I've got
But it hurts when I think	Cause I wanna have a really true love
When I let it sink in	Don't ever wanna have to go & (4) you up
It's all over me	Stay up till Four In The Morning & the tears are pouring
I'm lying here in the dark	& I want to make it worth the fight
I'm watching you sleep, it hurts a lot	What have we been (5) for all this time?
& all I know is	Baby if we're (6) do it, come on do it right
You've got to give me everything	Oh please, you know what I need
Nothing less cause	Save all (7) (8) up for me
You know I give you all of me	We can't escape the love
I give you everything that I am	Give me everything that you have
I'm handin' over everything that I've got	& all I know is
Cause I wanna have a really true love	You got to give me everything
Don't ever wanna have to go & give you up	& nothing less cause
Stay up till Four In The Morning & the tears are pouring	You know I give you all of me
& I want to make it worth the fight	I give you everything that I am
What have we been doing for all this time?	I'm handin' over everything that I've got
Baby if we're (1) do it, come on do it right	Cause I wanna have a really true love
All I wanted was to know I'm safe	Don't ever wanna have to go & give you up
Don't want to lose the love I've found	Stay up till Four In The Morning & the tears are pouring
Remember when you said that you would change	& I want to make it (9) the fight
Don't let me down	What have we been doing for all this time?
It's not fair how you are	Baby if we're gonna do it, come on do it right
I can't be complete, can you give me more?	(Give you everything)
& all I (2) is	(Give you all of me)
You got to give me everything
