# (I Just) Died In Your Arms by Cutting Crew

(Oh I)

I just died in your arms tonight

It must have been something you said

I just died in your arms tonight…

I keep looking for something I can't get

Broken hearts, they're all around me

And I don't see an easier way to get out of this

Her diary sits by the bedside table

The (1)_____ are closed

The cat's in the cradle

Who would have thought that a boy like me

Could come to this?

(Oh I)

I just died in your arms tonight

It must have been something you said

I (2)_____ (3)_____ in your arms tonight

(Oh I)

I just died in your arms tonight

It must have been some kind of kiss

I should have walked away

I should have walked away

Is there any just cause for (4)_____ like this?

On the surface I'm a (5)_____ on a list

I try to be discreet

But then blow it again

I've lost and found it's my final mistake

She's loving by proxy

No give and all take

'Cause I've been (6)_____ to fantasy

One too many times

(Oh I)

I just died in your arms tonight

It must have been something you said

I just died in your (7)_____ tonight

(Oh I)

But now it's over

The moment has gone
