(I Just) Died In Your Arms by Cutting Crew

(Oh I)
I just died in your arms tonight
It must have been something you said
I just died in your arms tonight...
I keep looking for something I can't get
Broken hearts, they're all around me
And I don't see an easier way to get out of this
Her diary sits by the bedside table
The curtains are closed
The cat's in the cradle
Who would have thought that a boy like me
Could come to this?
(Oh I)
I just died in your arms tonight
It must (1)_____ been something you said
I just (2)_____ in your arms tonight
(Oh I)
I just died in your arms tonight
It must have been some kind of kiss
I should have walked away
I should have walked away
Is there any just cause for feeling like this?
On the surface I'm a name on a list
I try to be discreet
But then blow it again
I've lost and found it's my final mistake
She's (3)_____ by proxy
No give and all take
'Cause I've been thrilled to fantasy

One too many times
(Oh I)
I just (4)_____ in (5)_____ (6)_____ tonight
It must have been (7)_____ you said
I just died in your arms tonight
(Oh I)
I just died in your arms tonight
It must have been some kind of kiss
I should have walked away
I (8)_____ have walked away
It was a long hot night
She made it easy
She made it feel right
But now it's over
The moment has gone
I followed my hands to my head
I know I was wrong
(Oh I)
I just died in your (9)_____ tonight
It must have been something you said
I just died in your arms tonight
(Oh I)
I just died in your (10)_____ tonight
It must have been some kind of kiss
I should have walked away
I should have walked away
