

The nightmare's just begun

## Fill in the gaps

The secret (1) of me	I must confess that I feel like a monster
I never let you see	I feel it deep within
I (2) it caged but I can't control it	It's just beneath the skin
So (3) away from me	I must confess that I feel like a monster
The beast is ugly	I, I feel like a monster
I feel the rage and I just can't hold it	I, I feel like a monster
It's scratching on the walls	It's hiding in the dark
In the closet, in the halls	It's teeth are razor sharp
It comes awake and I can't control it	There's no escape for me
Hiding under the bed	It wants my soul, it wants my heart
In my body, in my head	No one can hear me scream
Why won't (4) come and save me	Maybe it's just a dream
(5) this	Maybe it's inside of me
Make it end?	Stop this monster
I feel it deep within	I feel it deep within
It's just (6) the skin	It's just beneath the skin
I (7) confess that I feel like a monster	I must confess that I feel like a monster
I hate what I've become	I hate what I've become
The nightmare's just begun	The nightmare's just begun
I must confess that I feel like a monster	I must confess that I feel like a monster
I, I feel like a monster	I feel it deep within
I, I feel like a monster	It's just beneath the skin
My secret side I keep	I must confess that I feel like a monster
Hide under lock and key	I've (9) lose control
I keep it caged but I can't (8) it	Here's something radical
'Cause if I let him out	I (10) confess that I feel like a monster
He'll tear me up, break me down	I, I feel like a monster
Why won't somebody come and save me from this	I, I feel like a monster
Make it end	I, I feel like a monster
I feel it deep within	I, I feel like a monster
It's just beneath the skin	
I must confess that I feel like a monster	
I hate what I've become
