

Hearts of Cold by Sister Sin

Let's head for hell tonight

You and I

No (1)_____ in here can hold us down

We'll ride free

We wait patiently

Break the walls, smoking gun

Across the border unchained, unbound

We ride free

We kill instantly

Ash to ash, dust to lust

Through other's blood, we'll never rust

Forevermore as our (2)_____ will sore

We are the darkest angels from the (3)_____ above

The outlaws coming from the fires below

And we won't die old, blessed by our broken homes

Shotgun romance, all (4)_____ born

Show no mercy, slay them all

One kill, two souls

(Oh) our hearts of cold

Hearts of cold

Scar this town, crown the crime

Baby, we'll make headnews tonight

We're set free

We run famously

Through endless miles, dusk 'til dawn

It might end today, but we made it far

Fill in the gaps

When we leave

We won't leave here peacefully

Ash to ash, (5)_____ to lust

Through other's blood, we'll never rust

Forevermore as our love will sore

We are the darkest angels from the heavens above

The outlaws (6)_____ (7)_____ the fires below

And we won't die old, blessed by our broken homes

Shotgun romance, all (8)_____ born

Show no mercy, slay them all

One kill, two souls

(Oh) our hearts of cold

Hearts of cold

Slay them all

Cold

The darkest angels from the heavens above

The (9)_____ coming from the fires below

And we won't die old, blessed by our broken homes

Shotgun romance, all natural born

Show no mercy, slay them all

One kill, two souls

(Oh) our hearts of cold

Hearts of cold

Cold

Answer

1. shackles
2. love
3. heavens
4. natural
5. dust
