

Fill in the gaps

Let's head for (1) tonight	When we leave
You and I	We won't leave here peacefully
No shackles in here can hold us down	Ash to ash, (7) to lust
We'll ride free	Through other's blood, we'll never rust
We wait patiently	Forevermore as our love will sore
Break the walls, smoking gun	We are the darkest angels from the heavens above
Across the border unchained, unbound	The outlaws coming from the fires below
We ride free	And we won't die old, blessed by our broken homes
We kill instantly	Shotgun romance, all (8) born
Ash to ash, dust to lust	Show no mercy, slay (9) all
Through other's blood, we'll never rust	One kill, two souls
Forevermore as our (2) will sore	(Oh) our hearts of cold
We are the darkest angels (3) the heavens above	Hearts of cold
The outlaws coming from the fires below	Slay them all
And we won't die old, blessed by our broken homes	Cold
Shotgun romance, all natural born	The darkest angels from the heavens above
Show no mercy, (4) them all	The outlaws coming from the fires below
One kill, two souls	And we won't die old, blessed by our broken homes
(Oh) our hearts of cold	Shotgun romance, all natural born
Hearts of cold	Show no mercy, slay them all
Scar (5) town, crown the crime	One kill, two souls
Baby, we'll make headnews tonight	(Oh) our hearts of cold
We're set free	Hearts of cold
We run famously	Cold
Through endless miles, dusk 'til dawn	
It (6) end today, but we made it far	

- 1. hell
- 2. love
- 3. from
- 4. slay
- 5. this
- 6. might
- 7. dust
- 8. natural
- 9. them
