Cry Thunder by DragonForce

Fill in the gaps

Time after time, as we march side by side	Cry thunder! Sword in his hand
Through the (1) of evil and torturing souls	Titans of justice, fearless we stand
Night (2) night, for the glory we fight	Cry thunder! Strong in command
In the kingdom of madness and the tales from the old	Blessed by the union, (6) of man
Dead by our hand, for the higher command	Unholy darkness in the eyes of broken dreams
As the (3) surrounds us hear the cries as	Outside of the wasted and torn
they fall	A land of tears still remains
Fly burning steel and the tyrant will kneel	Soldiers of destiny calling
Hearts burning stronger with the power of the sword	And the fallen will rise up again
Set sail for the glory, pray for the master of war	Conquer the forces of (7) and fight to the end
Sunrise will fall by the wastelands	Cry thunder! Sword in his hand
Endless rise for the heroes before	Titans of justice, fearless we stand
Cry thunder! Sword in his hand	Cry thunder! (8) in command
Titans of justice, fearless we stand	Saviour of nations, freedom of man
Cry thunder! Strong in command	Cry thunder! (9) in his hand
Blessed by the union, freedom of man	Warriors defending, one final stand
Reckoning day for the demons we slay	Cry thunder! Strong in command
With the force of a (4) we will conquer them	Blessed by the union, freedom of man
all	Blessed by the (10) of man
Chaos still reigns devastation and flames	Cry thunder!
For the ultimate glory when the legacy calls	
March on through	
The hellfire blazing to the (5) beyond	
Nightmares return of the thousand screaming	
Rise for the heroes once more
