

## Fill in the gaps

(Te amo, te amo)	Without ask me why
She says to me	I (16) (te amo)
I (1) the pain in her voice	Somebody tell me what she said
Then we (2) underneath the candelabra	Don't it mean I (17) you
She takes the lead	Think it means I love you
That's when I saw it in her eye	Don't it mean I (18) you
It's over	Yes we can dance
Then she says (te amo)	But you gotta watch your hands
Then she put her hand around me waist	Watch me all night
I (3) her no	I move under the light
She cries (te amo)	Because I understand
Told her I'm not gonna run away	That we all need love
But let me go	And I'm not afraid to (19) the love
My soul is a cry	But I (20) feel that way
Without ask me why	Then she (21) (te amo)
I (4) (te amo)	Then she put her (22) around me wais
Somebody (5) me (6) she said	I told her no
Don't it (7) I love you	She (23) (te amo)
Think it (8) I love you	I told her I'm not gonna run away
Don't it mean I (9) you	But let me go
(Te amo, te amo) she's scared to breathe	My soul is a cry
I (10) her hand, I got no (11) (uhh)	Without ask me why
Pull me out on the beach, danced in the water	I said (te amo)
I start to leave	Somebody tell me (24) she said
She's begging me and (12) why	Don't it mean I love you
It's over	Think it means I love you
Then she (13) (te amo)	Don't it mean I love you
Then she put her hand around me waist	Think it means I love you
I told her no	l (25) you
She (14) (te amo)	(Te amo, te amo)
Told her I'm not gonna run away	Don't it mean I love you
But let me go	
My (15) is a cry
