Fill in the gaps

Slipping Away by Information Society

And even when we're together now we still feel lonely

So i ve been thinking	So kiss me like you would kiss me
Of the way you used to talk to me	If it were the last time
And now it seems we (1) at all	Hold me now
So kiss me like you would kiss me	Hold me like you did hold me when it was
f it (3) the last time	The first time
Hold me now	'Cause I can feel you (6) away
Hold me like you did hold me when it was	And I can't think of anything to say
The first time	That will (7) you around and (8) you
Cause I can feel you (4) away	stay
And I can't think of anything to say	I can feel you slipping away
That (5) turn you around and make you stay	Slipping away
can feel you slipping away	'Cause I can (9) you (10)
Slipping away	away
Now I can see you	And I can't think of anything to say
Talking softly on the phone again	That will turn you around and make you stay
And more and more you need to be alone	I can feel you slipping away
Now I make you angry just by being near	Slipping away
