

## Fill in the gaps

## Slipping Away by Information Society

So I've (1) thinking	So kiss me like you would kiss me
Of the way you used to (2) to me	If it were the last time
And now it seems we never talk at all	Hold me now
So kiss me (3) you would kiss me	Hold me like you did hold me (19) it was
If it (4) the (5) time	The first time
Hold me now	'Cause I can (20) you slipping away
Hold me like you did (6) me (7) it was	And I can't think of anything to say
The (8) time	That (21) turn you around and make you stay
'Cause I can feel you (9) away	I can (22) you slipping away
And I can't think of (10) to say	Slipping away
That will turn you around and (11) you stay	'Cause I can feel you slipping away
I can feel you (12) away	And I can't think of anything to say
Slipping away	That will turn you (23) and (24)
Now I can see you	you stay
Talking (13) on the (14) again	I can feel you (25) away
And more and more you need to be alone	Slipping away
Now I (15) you (16) just by being	
near	
And (17) when we're (18)	
now we still feel lonely
