So here I am

Fill in the gaps

Say Goodnight (Live) by Bullet For My Valentine

Heaven's waiting for you	You're inside of me
Just close your eyes	Here I am
And say goodbye	Our worlds may suffer
Here in (1) pause	Here I am
Go on and on and on	You're inside of me
I live my life in misery	Here I am
I (2) world to hold	Our worlds may suffer
you	Here I am (7) you
No breath left inside of me	I'm there til the end
Shattered (4) keeps falling	Memories are told and
Say goodnight	So (8) my friend farewell my friend
Just in time	(Farewell my friend)
Say goodnight	
Flowers laid out for you	Here I am with you
So (5) colors leave me blind	Like there til the end
Seeing (6) face reflect from our babies eyes	Memories are told and
I live my life in misery	So farewell my friend farewell my friend!
I sacrificed this world to hold you	(Farewell my friend)
No breath left inside of me	(My friend)
Shattered glass keeps falling	(My friend)
Say goodnight	(My friend)
Just in time
