

Gunshot we use and govern the kingdom

Fill in the gaps

As We Enter by Nas & Damian "Jr. Gong" Marley

As we enter	Rise of the ******, I can see the fear up in your eyes
Come now we take you on the (1)	Realize you can die any instant
adventure	And I can hear the sound of your voice
Must be dementia that you ever thought	When you must lose your life like mice in the kitchen
You (2) touch our credentials, what's the initials?	Snitching, I can see him ******* on hisself
You be Jamrock, the lyrical official	And he wetting up his thighs and he trying to resist it
Send out the order, laws and the rituals	Switching, I can smell him digging up **** like a fly
Burn candles, say prayers, paint murals	Come around and be persistent
It is truth, we big news, we hood heroes	That's how you end up in a hit list
Break past the anchor, we come to conquer	In a bad man business
Man a badman, we no play Willy Wonka	No evidence
And I got the guns	Crime scene, fingerprint-less
I got the ****	Flow effortless
And we could blaze it up on your block if you want to	Casual like the weekends
Or (3) it up, (4) box in a Hummer	No pressure when
Or you could run up and get done up	We're comfy and decent
Or get something that you want (5) of	We set this off beastin'
Unlimited amount to collect from us	Hunting season
Direct from us, street intellectuals	And, frankly speaking
And I'm shrewd about decimals	Word is out, hysteria you heard about
And my man'll speak patois and I can speak rap star	Nas and Jr. Gong came to turn it out
Y'all feel me even if it's in Swahili	Body the verses 'til they scream murder out
Or Badi Gani	The kings is back, time to return the crown
Masuri Sana	Who want it? Tuck your chain, we're due coming
Switch up the language and move to Ghana	Renegades that'll peel you back (9) new hundreds
Salute and honor, real revolution rhymers	Bet your jewels on it, you don't want to lose on it
Riddim piranhas	Either move on or move on it
Like true Obamas, unfold the drama	Word is out, hysteria you heard about
Word is out, hysteria you heard about	Nas and Jr. Gong came to turn it out
Nas and Jr. Gong came to (6) it out	Body the verse 'til they scream murder out
Body the verses 'til (7) scream murder out	The kings is back, time to return the crown
The kings is back, time to return the crown	Who want it? Tuck your chain, we're due coming
Who want it? Tuck your chain, we're due coming	Renegades that'll peel you (10) like new hundreds
Renegades that'll peel you back like new hundreds	Bet your jewels on it, you don't want to lose on it
Bet your jewels on it, you don't want to (8) on it	Either move on or move on it
Either move on or move on it	
Queens to Kingston	

- 1. biggest
- 2. could
- 3. haze
- 4. stash
- 5. none
- 6. turn
- 7. they 8. lose
- 9. like
- 10. back
