

Fill in the gaps

Cut me loose, my parachute won't let me fly
I'll survive 'cause we got love
(Oh)
Think of me when your world seems to fall apart
Under the weight of a heavy heart
It's so material, criminal
What we put up on a pedestal
Need a spark to start a fire
Don't be afraid of a chance for a miracle
Scare it away being cynical
Step into open skies, (1) eyes
Jump into something you don't recognize
Just reach your arms out wide
Cut me loose, my parachute won't let me fly
I'll survive 'cause we got love
Summer (3) will fade away and pass us by
But we'll survive 'cause we got love
Think of what we had, we got love
And it's all we had, we got love
Think of what we had, we got love
(Oh)
I'll be the (4) when the whispers get too loud
Your home base and the (5) that (6)
you crowned
Your breath when you're choking on your words
Your sex your right turn
When you're ready to start

Lean on my heart baby
Close your eyes just reach your arms out wide
Cut me loose, my parachute won't let me fly
I'll (7) 'cause we got love
Summer days will fade away and (8) us by
But we'll survive 'cause we got love
Think of what we had, we got love
And it's all we had, we got love
Think of what we had, we got love
(Oh)
Don't need a tune with a view on the Westside
Just wanna wake up at your side
'Cause when you know it, you know it
In the blink of a moment
It's like I'm, It's like I'm
It's like I'm falling for the first time
Cut me loose, my parachute won't let me fly
I'll (9) 'cause we got love
Summer days will (10) away and pass us by
But we'll survive 'cause we got love
Think of what we had, we got love
And it's all we had, we got love
Think of what we had, we got love
