

## Fill in the gaps

Cut me loose, my parachute won't let me fly	Lean on my (10) baby
I'll survive 'cause we got love	Close your eyes just (11) your arms out wide
(Oh)	Cut me loose, my parachute won't let me fly
Think of me when your world (1) to	I'll (12) 'cause we got love
(2) apart	Summer days will fade away and pass us by
Under the (3) of a heavy heart	But we'll (13) 'cause we got love
It's so material, criminal	Think of what we had, we got love
What we put up on a pedestal	And it's all we had, we got love
Need a (4) to start a fire	Think of what we had, we got love
Don't be (5) of a chance for a miracle	(Oh)
Scare it away being cynical	Don't need a (14) (15) a view on the
Step into open skies, close your eyes	Westside
Jump into something you don't recognize	Just (16) wake up at your side
Just reach your arms out wide	'Cause when you know it, you know it
Cut me loose, my parachute won't let me fly	In the blink of a moment
I'll survive 'cause we got love	It's (17) I'm, It's like I'm
Summer days will fade away and pass us by	It's (18) I'm falling for the first time
But we'll (6) 'cause we got love	Cut me loose, my parachute won't let me fly
Think of what we had, we got love	I'll (19) 'cause we got love
And it's all we had, we got love	Summer (20) will fade (21) and pass us
Think of what we had, we got love	by
(Oh)	But we'll (22) 'cause we got love
I'll be the (7) when the whispers get too loud	Think of what we had, we got love
Your home base and the king (8) keeps you	And it's all we had, we got love
crowned	Think of (23) we had, we got love
Your breath when you're choking on (9) words	
Your sex your right turn	
When you're ready to start
