T Like It Loud (Lyric) by Cash Cash

Bass up bass up bass up

Turn the bass up bass up

Fill in the gaps

Get this (1) off right	
And turn the bass up	Now move (6) body
Blow my ear drums up	So the rhythm can set you free
lust like a firetruck	Another round
Get this night off right	And we can (7) out our hearts beating
And turn the bass up	Just like a drug
∕eah, I like it loud	I let the music set me free
like it loud	I like it loud, I like it loud
ou know I like it loud	Now move your body
Can't hear a fucking sound	So the rhythm can set you free
My ears are ringing now	Another round
Cause that's how we get down	And we can drown out our hearts beating
Now move your body	Just like a drug
So the rhythm can set you free	I let the music set me free
Another round	I like it loud, I like it loud
And we can drown out our hearts beating	I like it loud
lust like a drug	You know I like it loud
let the music set me free	Than your old ******* sound
like it loud, I like it loud	You (8) I like it loud
	I like it loud
Get (2) night off right	Get this (9) off right
And turn the bass up	And turn the bass up
Blow my ear drums up	Blow my ear drums up
lust like a firetruck	Just like a firetruck
Get (3) night off right	Get this night off right
And turn the bass up	And turn the bass up
∕eah, I like it loud	Yeah, I like it loud
(4) it loud	I like it loud
Shaking through your legs	Shaking through your legs
The way the sub drops	The way the sub drops
Feel it in your chest	Feel it in your chest
The way your heart stops	The way your heart stops
Get this night off right	Get this night off right
And turn the bass up	And turn the bass up
∕eah, I (5) it loud	Yeah, I like it loud
like it loud	I like it loud
ou know I like it loud	I (10) it loud
Than your old ****** sound	I like it loud
ou know I like it loud	Yeah, I like it loud
Cause that's how we get down	I like it loud
