

Fill in the gaps

Lili	I'll be your guide
Take another (1) out of your (2) world	For every street of any scene
Please put all the drugs out of your hand	Any place you've never been
You'll see that you can breathe without no back up	I'll be your guide
So much stuff you've got to understand	Lili
For every step in any walk	Easy as a kiss we'll find an answer
Any town of any thought	Put all your fears back in the shade
I'll be your guide	Don't become a (7) without no colour
For every street of any scene	'Cause you're the best paint, (8) ever made
Any (3) you've never been	For every step in any walk
I'll be your guide	Any town of any thought
Lili	I'll be your guide
You (4) there's still a place for (5)	For every street of any scene
like us	Any (9) you've never been
The same blood runs in every hand	I'll be (10) guide
You see it's not the wings that make the angel	
Just have to move the bat out of (6) head	
For every step in any walk	
Any town of any thought
