

Fill in the gaps

Living La Vida Loca by Ricky Martin

She's into superstitions	Upside, inside out
Black cats and voodoo dolls	She's (17) la vida loca
I feel a premonition	She'll push and pull you down
That girl's gonna make me fall	Living la (18) loca
She's into new sensations	Her (19) are devil red
New kicks in the candle light	And her skin's the color mocha
She's got a new addiction	She will wear you out
For every day and night	Living la vida loca (alright)
She'll make you take (1) off	Living la vida loca
And go dancing in the rain	She's living la vida loca
She'll make you live her crazy life	She'll make you take your clothes off
But she'll take away your pain	And go (20) in the rain
Like a bullet to your brain (come on)	She'll make you live her (21) life
Upside, (3) out	But she'll take away your pain
She's living la vida loca	Like a (22) to your brain (come on)
She'll (4) and pull you down	Upside, inside out
Living la (5) loca	She's living la vida loca
Her (6) are devil red	She'll push and pull you down
And her skin's the color mocha	Living la (23) loca
She (7) wear you out	Her lips are devil red
Living la vida (8) (come on)	And her skin's the color mocha
Living la (9) (10) (come on)	She (24) (25) you out
She's living la vida loca	Living la vida (26) (come on)
Woke up in New (11) City	Living la vida loca (come on)
In a (12) cheap hotel	She's living la vida loca
She took my heart and she (13) my money	Come on
She must've (14) me a sleeping pill	(Cara la (27) loca)
She (15) the water	(Cara, cara, cara la vida loca)
Makes you order French champagne	(Cara, (28) cara la vi)
Once you've had a taste of her	
You'll never be the same	
She'll make you go insane (alright)
