

Fill in the gaps

Only tell me that you still want me here	For snow to fall on the Sahara
When you wander off out there	Just a wish and I will cover your shoulders
To those hills of dust and hard winds that blow	With veils of silk and gold
In that dry white (1) alone	When the shadows come and darken your heart
Lost out in the desert	Leaving you with regrets so cold
You are lost out in the desert	Lost out in the desert
To stand with you in a ring of fire	If your hopes scatter like the dust across your track
I'll forget the days (2) by	I'll be the moon that (6) on your path
I'll protect your body and guard your soul	The sun may blind our eyes, I'll (7) the skies above
From mirages in your sight	For snow to (8) on the Sahara
Lost out in the desert	If that's the only place
If your hopes scatter (3) the dust across your track	Where you can leave your doubts
I'll be the moon that shines on your path	I'll hold you up and be your way out
The sun may blind our eyes, I'll pray the skies above	And if we burn away, I'll pray the skies above
For snow to fall on the Sahara	For snow to fall on the Sahara
If that's the only place	
Where you can (4) your doubts	(For snow to fall on the Sahara)
I'll hold you up and be your way out	
And if we burn away, I'll pray the (5) above
