## It's Time (Acoustic) by Imagine Dragons

So this is what you meant	It's time to begin, isn't it?
When you said that you (1) spent	I get a little bit bigger, but then I'll admit
And now it's time to build from the bottom of the pit	I'm just the (7) as I was
Right to the top	Now don't you understand
Don't hold back	I'm never changing who I am
Packing my bags and giving the academy a rain check	It's time to begin, isn't it?
I don't ever (2) to let you down	I get a little bit bigger, but then I'll admit
I don't ever want to leave this town	I'm just the same as I was
'Cause after all	Now don't you understand
This city never sleeps at night	I'm never changing who I am
It's time to begin, isn't it?	This road never looked so lonely
I get a little bit bigger, but then I'll admit	This house doesn't (8) down slowly
I'm just the same as I was	To ashes, to ashes
Now don't you understand	It's time to begin, isn't it?
I'm never changing who I am	I get a little bit bigger, but then I'll admit
So this is where you fell	I'm just the same as I was
And I am left to sell	Now don't you understand
The path to heaven (3) through (4) of	I'm never (9) who I am
clouded hell	It's time to begin, isn't it?
Right to the top	I get a little bit bigger, but then I'll admit
Don't look back	I'm (10) the same as I was
Turning to rags and (5) the commodities a	Now don't you understand
rain check	I'm never changing who I am
I don't ever want to let you down	
I don't ever want to leave (6) town	
'Cause after all	
This city never sleeps at night
