Don't be so quick to walk away (dance (1) me)	Talk to me, boy
I wanna rock your body, please stay (dance with me)	Hurry up 'cause you're (7) too long
You don't have to admit you wanna play (dance with me)	Talk to me, boy
Just let me rock you	Bet I'll have you naked by the end of this song
Till the break of day	So (8) did you come here for (I came to dance with
Dance with me	you)
Got time, but I don't mind	And you know that you don't wanna hit the floor
Just wanna (2) you, girl	(Get some romance with you)
I'll have whatever you have	You've been seaching for love forever more
Come on let's give it a whirl	(And I'll take a chance) If love is here on the floor, girl
See, I've been watching you	Rock your body
And I like the way you move	Bring the beat back
So go ahead, girl, just do	Hey, dance with me
That ass shaking thing you do	Yeah
So you grab your girls and you grab a couple more	Come on, baby
And you all could meet me in the middle of the floor	Don't be so quick to walk away (don't walk away)
Said the air is thick, it's smelling right	(Come on dance with me)
So you pass to the left, then you sail to the right	I wanna rock your body, let me rock your body
Don't be so quick to walk away (dance with me)	Please stay (come on and dance with me)
