

## Fill in the gaps

Raindrops rolling off my brim	That's me without you
Street lights got the pavement glistenin'	That's me without you
Touchdown, I've fallen to your arms	Don't know where I'd be without you
Right where I belong	
Your everlasting arms	You rescued me
And (1) would I be (2) you	You are mine, I am yours
I'd be packing my bags when I need to stay	You (8) me
I'd be chasin every breeze that (3) my way	And I am yours forever
I've been building my kingdom just to watch it fade	You saved me, remade me
Away	Where would I be
It's true	I'd be packing my bags when I need to stay
That's me without you	I'd be chasin every breeze (9) blows my way
That's me without you	I've been building my kingdom just to watch it fade
That's me without you	Away
Don't know where I'd be without you	It's true
Flashback	I'd be packing my bags when I need to stay
Stepping through the scene	I'd be chasin every breeze that blows my way
There's you and theres a very different me	I've been building my kingdom just to watch it fade
Touchdown, you had me at believe	Away
You had me at believe	It's true
You did	That's me without you
And where (4) I be without you	That's me without you
Without you	That's me (10) you
I'd be packing my bags when I need to stay	Don't know where I'd be without you
I'd be (5) every (6) that	
(7) my way	That's me without you
I've been building my kingdom just to watch it fade	Don't know where I'd be without you
Away	
It's true	
That's me without you
