

## Fill in the gaps

| Raindrops rolling off my brim                       | That's me (16) you                                  |
|---|---|
| Street lights got the pavement glistenin'           | That's me without you                               |
| Touchdown, I've fallen to your arms                 | Don't (17) where I'd be (18) you                    |
| Right (1) I belong                                  |   |
| Your (2) arms                                       | You (19) me   |
| And where (3) I be (4) you                          | You are mine, I am yours                            |
| I'd be packing my bags when I need to stay          | You rescued me                                      |
| I'd be chasin every breeze (5) blows my way         | And I am (20) forever                               |
| I've been building my (6) to                        | You saved me, remade me                             |
| watch it fade                                       | Where would I be                                    |
| Away  | I'd be packing my bags (21) I need to stay          |
| It's true   | I'd be chasin every breeze that blows my way        |
| That's me (8) you                                   | I've (22) building my kingdom just to watch it fade |
| That's me without you                               | Away  |
| That's me without you                               | It's true   |
| Don't know where I'd be (9) you                     | I'd be packing my (23) when I (24) to               |
| Flashback   | stay  |
| Stepping through the scene                          | I'd be chasin every breeze (25) blows my way        |
| There's you and theres a (10) different me          | I've been (26) my kingdom just to watch             |
| Touchdown, you had me at believe                    | it fade   |
| You had me at believe                               | Away  |
| You did   | It's true   |
| And where would I be without you                    | That's me without you                               |
| Without you   | That's me without you                               |
| I'd be packing my bags when I need to stay          | That's me without you                               |
| l'd be (11)(12)                                     | Don't know (27) I'd be (28)                         |
| (13) blows my way                                   | you   |
| I've been building my kingdom just to watch it fade |   |
| Away  | That's me without you                               |
| It's true   | Don't know where I'd be without you                 |
| That's me. (15)                                     |   |
