

Fill in the gaps

We Don't Need Another Hero (Live) by Tina Turner

Out of the ruins	All the children say
Out from the wreckage	We don't need another hero
Can't make the same mistake (1) time	We don't need to know the way home
We are the children	All we want is life (16) the thunderdome
The last generations	What do we do with our lives
We are the ones they (2) behind	We leave only a mark
And I (3) (4) we are ever	Will our (17) shine like a life
(5) change it	Or end in the dark
Living (6) the fear (7) nothing else	Give it all or nothing
remains	We don't need (18) (19) (hero)
We don't (8) another hero	We don't need to (20) the way home
We don't (9) to (10) the way home	All we want is (21) beyond the thunderdome
All we want is life beyond the thunderdome	All the children say
Yeah	We don't need (22) hero
Looking for something	We don't need (23) hero
We can rely on	We don't (24) to (25) the way home
There's got to be something better out there	All we want is (26) beyond the thunderdome
Love and compassion	Yeah
Their day is coming (coming)	
All else are (11) built in the air	
I (12) when we are ever gonna	
(13) it	
Living (14) the (15) till nothing else	
remains
