

Living under the fear till nothing else remains

## Fill in the gaps

## We Don't Need Another Hero (Live) by Tina Turner

Out of the ruins	All the children say
Out from the wreckage	We don't need another hero
Can't (1) the same mistake this time	We don't (8) to know the way home
We are the children	All we want is life beyond the thunderdome
The last generations	What do we do with our lives
We are the ones they left behind	We leave only a mark
And I (2) when we are (3) gonna	Will our story shine like a life
change it	Or end in the dark
Living under the fear till nothing (4) remains	Give it all or nothing
We don't need another hero	We don't need another hero (hero)
We don't need to know the way home	We don't need to know the way home
All we want is life beyond the thunderdome	All we want is life beyond the thunderdome
Yeah	All the children say
Looking for something	We don't need another hero
We can rely on	We don't need (9) hero
There's got to be something (5) out there	We don't need to know the way home
Love and compassion	All we want is life beyond the thunderdome
Their day is coming (coming)	Yeah
All (6) are castles built in the air	
I (7) when we are ever gonna change it	

- 1. make
- 2. wonder
- 3. ever
- 4. else
- 5. better
- 6. else
- 7. wonder
- 8. need
- 9. another
