Don't Believe In Love by Dido

Fill in the gaps

wanna go to bed with arms around me	If I don't believe in love nothing is new for me
But wake up on my own	Nothing is wrong for me
Pretend that I'm still sleeping	And nothing is real for me
Til you go home	If I don't believe in love nothing is good for me
(Oh) I can't look at you this morning	If I don't believe in love nothing will last for me
should probably have a sign	When I don't believe in love nothing is new for me
That (1) "leave right now or quicker"	Nothing is wrong for me
You've overstayed your time	And nothing is real for me
f I don't believe in (2) nothing will last for me	If I don't believe in love why do you care for me?
f I don't believe in love nothing is safe for me	When I don't (7) in love nothing is real fo
When I don't (3) in love you're too close to	me
me	If I don't believe in love you're getting to close to me
And that's why you have to leave	That's why you have to leave
Maybe I slept peaceful on your shoulder	That's why you have to leave
Your arm warm around my side	If I don't believe in love
But it's different now, (4) morning	If I don't believe in love
And I can't face your smile	If I don't believe in love
The second that I feel your safe hands	Nothing is left for me
Reaching out for mine	If I (8) (9) in love
slip away and out of sight	You're too good for me
You've overstayed (5) time	
f I don't believe in love nothing is good for me	
f I don't believe in (6) nothing will last for me
