

## Mama Said by Metallica

Mama, she has (1) me well
Told me when I was young
"Son, your life's an open book
Don't close it 'fore its done
The brightest flame burns quickest"
That's what I heard her say
A son's heart's sewed to mother
But I must find my way
Let my heart go
Let your son grow
Mama, let my (2) go
Or let this heart be still
Yeah, still
Rebel, my new last name
Wild blood in my veins
Wild blood in my veins Apron (3) around my neck
•
Apron (3) around my neck
Apron (3) around my neck The mark that still remains
Apron (3) around my neck The mark that still remains I left home at an early age
Apron (3) around my neck The mark that still remains I left home at an early age Of what I heard was wrong
Apron (3) around my neck The mark that still remains I left home at an early age Of what I heard was wrong I never asked forgiveness
Apron (3) around my neck The mark that still remains I left home at an early age Of what I heard was wrong I never asked forgiveness But what I said is done
Apron (3) around my neck The mark that still remains I left home at an early age Of what I heard was wrong I never asked forgiveness But what I said is done Let my heart go
Apron (3) around my neck The mark that still remains I left home at an early age Of what I heard was wrong I never asked forgiveness But what I said is done Let my heart go Let your son grow
Apron (3) around my neck The mark that still remains I left home at an early age Of what I heard was wrong I never asked forgiveness But what I said is done Let my heart go Let your son grow Mama, let my heart go
Apron (3) around my neck The mark that still remains I left home at an early age Of what I heard was wrong I never asked forgiveness But what I said is done Let my heart go Let your son grow Mama, let my heart go Or let this heart be still

That I'll take to my grave

## Fill in the gaps

Never I ask of you
But never I gave
But you gave me your emptiness
That I'll take to my grave
So let this heart be still
Mama, now I'm (5) home
I'm not all you wished of me
But a mother's (6) for her son
Unspoken, help me be
Yeah, I (7) your (8) for granted
And all the things you said to me, yeah, yeah
I need your (9) to welcome me
But a cold stone's all I see
Let my heart go
Let your son grow
Mama, let my (10) go
Or let this heart be still
Let my heart go
Mama, let my heart go
You never let my heart go
So let this heart be still
(Oh whoa)
Never I ask of you
But never I gave
But you gave me your emptiness
That I'll take to my grave
So let this heart be still
