

## Fill in the gaps

Mama, she has taught me well	Never I ask of you
Told me when I was young	But never I gave
"Son, your life's an open book	But you gave me (9) emptiness
Don't close it 'fore its done	That I'll take to my grave
The (1) flame (2)	So let this heart be still
quickest"	Mama, now I'm coming home
That's (3) I heard her say	I'm not all you wished of me
A son's heart's sewed to mother	But a mother's love for her son
But I must find my way	Unspoken, help me be
Let my heart go	Yeah, I took your love for granted
Let your son grow	And all the things you said to me, yeah, yeah
Mama, let my heart go	I need your arms to welcome me
Or let (4) heart be still	But a cold stone's all I see
Yeah, still	Let my heart go
Rebel, my new last name	Let your son grow
Wild blood in my veins	Mama, let my heart go
Apron strings around my neck	Or let this heart be still
The mark that (5) remains	Let my (10) go
I left home at an early age	Mama, let my heart go
Of what I heard was wrong	You never let my heart go
I (6) asked forgiveness	So let this heart be still
But (7) I said is done	(Oh whoa)
Let my heart go	Never I ask of you
Let your son grow	But never I gave
Mama, let my heart go	But you gave me your emptiness
Or let this heart be still	That I'll take to my grave
Never I ask of you	So let this heart be still
But never I gave	
But you (8) me your emptiness	
That I'll take to my grave
