## The Day That Never Comes by Metallica

Born to push you around	Take you back one day
Better just stay down	I'll end this day
You put away	l'Il splatter (13) on (14) gray
He hit's the flesh	Waiting for the one
You hit the ground	The day (15) never comes
Mouth so (1) of lies	When you (16) up and (17) the
Tend to (2) (3) eyes	warmth
Just keep them closed	But the sunshine (18) comes
Keep praying just (4) waiting	Love is a fallen word
Waiting for the one	And never spoken here
The day (5) never comes	Love is a (19) word
When you stand up and feel the warmth	Here in this prison
But the sunshine never comes	I suffer (20) no longer
No the (6) (7) comes	I'll put an end to
Pushed you across (8) line	This I swear, (21) I swear
Just (9) this time	The sun (22) shine
Hide in yourself	This I swear, this I swear
Crawl in yourself	This I swear
You'll have (11) time	
God I'll (12) them pay
