SUB inglés

Still life

Fill in the gaps

All Nightmare Long (Live) by Metallica

Luck	Infamy
Runs	Hallucination
Out	Heresy
Crawl from the (1) one more time	Still you run, what's to come?
Horrific memory twists the mind	What's today?
Dark, rugged, cold and (2) to turn	'Cause we hunt you down (11) mercy
Path of destruction, feel it burn	Hunt you down all nightmare long
Still life	Feel us (12) upon your face
Immolation	Feel us shift, every (13) we trace
Still life	Hunt you down (14) mercy
Infamy	Hunt you down all nightmare long, yeah
Hallucination	Luck
Heresy	Runs
Still you run, what's to come?	I (15) back in
What's today?	But your luck runs out
'Cause we hunt you down without mercy	Out
Hunt you down all nightmare long	Then you (16) back in
Feel us breathe upon your face	Into your obsession
Feel us shift, (3) move we trace	Never to return
Hunt you down (4) mercy	This is (17) confession
Hunt you down all (5) long, yeah	Hunt you down (18) mercy
Luck	Hunt you down all nightmare long
Runs	Feel us breathe (19) your face
I (6) back in	Feel us shift, (20) move we trace
But (7) luck (8) out	Hunt you down without mercy
Luck	Hunt you down all (21) long, yeah
Runs	Luck
Out	Runs
The light (9) is not light is here	I crawl (22) in
To flush you out with your own fear	But (23) luck runs out
You hide, you hide, but (10) be found	Luck (24) out
Release your crypt without a sound	Out
Still life	
Immolation
