

## Sulfur by Slipknot

### Fill in the gaps

My guilt and my shame  
Always sell me short, always feel the same  
And my (1)\_\_\_\_\_ and my soul  
Always wear me thin, always under control  
But the longest hours you'll have in your life  
Are the ones you sit, through to know if you're right  
So I'll wait, but I pray that I'm wrong  
Because I think I know what's goin' on  
So let me get this straight, the only will is my own  
I do what ever I want and stay alone  
All my decisions make it untouchable and tainted  
I'm gonna suffer for the rest of my life  
But I always (2)\_\_\_\_\_ a way to survive  
I'm not a failure, but I know what its like  
I can (3)\_\_\_\_\_ it, or (4)\_\_\_\_\_ it.. or die!  
Stay...  
You don't always know (5)\_\_\_\_\_ you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur...  
My (6)\_\_\_\_\_ is undone  
And I'm a sinner to most, but a sage to some  
And my gods are untrue  
I'm probably wrong, but I'm better than you  
And the longest (7)\_\_\_\_\_ I've had in my life  
Were the ones I want through to know I was right

So I'm safe but I'm a (8)\_\_\_\_\_ outside  
I'm gonna laugh when I'm buried alive  
Stay...  
You don't always know where you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like (9)\_\_\_\_\_ in sulfur...  
Like breathing in sulfur...  
Like breathing in sulfur...  
Stay...  
You don't always know (10)\_\_\_\_\_ you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur...  
Stay...  
You don't always know where you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur...  
Like breathing in sulfur...  
Like breathing in sulfur...  
Like breathing in sulfur...  
Like breathing in sulfur...  
Like breathing in sulfur...

## Fill in the gaps

Answer

1. face
2. find
3. take
4. leave
5. where
6. life
7. hours
8. little
9. breathing
10. where
