

Fill in the gaps

My guilt and my shame	So I'm safe but I'm a little outside
Always sell me short, (1) feel the same	I'm gonna laugh when I'm (4) alive
And my face and my soul	Stay
Always wear me thin, always under control	You don't always know where you stand
But the longest hours you'll have in (2) life	Till you know that you won't run away
Are the ones you sit, through to know if you're right	There's (5) inside me (6)
So I'll wait, but I pray that I'm wrong	feels
Because I think I know what's goin' on	Like breathing in sulfur
So let me get this straight, the only will is my own	Like breathing in sulfur
I do what ever I want and stay alone	Like breathing in sulfur
All my decisions make it untouchable and tainted	Stay
I'm gonna suffer for the rest of my life	You don't always know where you stand
But I always find a way to survive	Till you know that you won't run away
I'm not a failure, but I know what its like	There's something (7) me that feels
I can take it, or leave it or die!	Like breathing in sulfur
Stay	Stay
You don't always know where you stand	You don't always know where you stand
Till you (3) that you won't run away	Till you know that you won't run away
There's something inside me that feels	There's something inside me that feels
Like breathing in sulfur	Like (8) in sulfur
My life is undone	Like (9) in sulfur
And I'm a sinner to most, but a sage to some	Like breathing in sulfur
And my gods are untrue	Like breathing in sulfur
I'm probably wrong, but I'm better than you	Like breathing in sulfur
And the longest hours I've had in my life	Like (10) in sulfur
Were the ones I want through to know I was right
