Can't Hold Us Down by Christina Aguilera

While the girl can do the same and yet you call her a whore

featuring Lil' Kim	I don't understand why it's OK,
So- What am I not s'pposed to have an opinion	The guy gets all the (15) and the girl gets named
Should I keep quiet (1) because I'm a woman	All my ladies come (16) and make a
Call me a bitch cause I speak what's on my mind	change
Guess it's easier for you to swallow if I sat and smiled	And (17) a new beginning for us, everybody
When a female fires back	sang
Suddenly big talker don't know how to act	CHORUS-repeat
So he does (2) every little boy would do	Lil' Kim:
Makin' up a few false rumors or two	Check it- Here's something I just can't understand
That for sure is not a man to me, slanderin' names for	If the guy have three girls then he's the man
popularity	He can either (18) us (19) head, sex
It's sad you only get your (3) through controversy	her off
But now it's time for me to (4) and give you more to	If the girl can do the same, then she's a whore
say	But the table's about to turn
CHORUS	I'll bet my fame on it
This is for my girls all (5) the world	Cats take my ideas and put their (20) on it
Who (6) come across a man who don't respect	It's aiight though, you can't hold me down
your worth	I got to (21) on movin'
Thinkin' all women should be seen not heard	To all my girls with a man who be tryin' to mack
So what do we do girls, (7) out loud	Do it right back to him and let that be that
Lettin' 'em know we're gonna stand our ground	You need to let him (22) that his name is wack
So (8) you hands higher and wave 'em proud	And Lil' Kim and Christina Aguilera got your back
Take a (9) breath and say it loud	You're just a little boy
Never can, never will	Think you're so cute, so coy
Can't hold us down	You must talk so big to make up for smaller things
Nobody can (10) us down.	You're just a little boy
Never can never will.	All you do is annoy
So- What am I not supposed to say what I'm saying	You must (23) so big to make up for smaller things
Are you offended (11) the message I'm bringin'	CHORUS-repeat 2X
Call me (12) 'cause your words don't	Can't hold us down!
(13) a thing	(repeat and fade out)
Guess you ain't even a man enough to handle what I sing	
If you (14) back in history it's a common double
