### Fill in the gaps

#### Can't Hold Us Down by Christina Aguilera

featuring Lil' Kim	I don't understand why it's OK,
So- What am I not s'pposed to have an opinion	The guy gets all the glory and the girl gets named
Should I keep quiet just because I'm a woman	All my ladies come (3) and make
Call me a bitch cause I speak what's on my mind	change
Guess it's easier for you to swallow if I sat and smiled	And start a new beginning for us, everybody sang
When a female fires back	CHORUS-repeat
Suddenly big talker don't know how to act	Lil' Kim:
So he does what every little boy would do	Check it- Here's something I just can't understand
Makin' up a few false (1) or two	If the guy have three (4) then he's the man
That for sure is not a man to me, slanderin' names for	He can either give us some head, sex her off
popularity	If the girl can do the same, then she's a whore
It's sad you only get your fame through controversy	But the table's (5) to turn
But now it's time for me to come and give you more to say	I'll bet my fame on it
CHORUS	Cats take my ideas and put their name on it
This is for my girls all around the world	It's aiight though, you can't hold me down
Who have come across a man who don't respect your worth	I got to (6) on movin'
Thinkin' all women should be seen not heard	To all my girls with a man who be tryin' to mack
So what do we do girls, shout out loud	Do it (7) back to him and let that be that
Lettin' 'em know we're gonna stand our ground	You (8) to let him know that his name is wack
So lift you hands higher and wave 'em proud	And Lil' Kim and Christina Aguilera got your back
Take a deep breath and say it loud	You're just a little boy
Never can, never will	Think you're so cute, so coy
Can't hold us down	You must talk so big to make up for smaller things
Nobody can hold us down.	You're just a little boy
Never can never will.	All you do is annoy
So- What am I not supposed to say what I'm saying	You (9) talk so big to make up for smaller things
Are you offended with the message I'm bringin'	CHORUS-repeat 2X
Call me whatever 'cause your words don't mean a thing	Can't hold us down!
Guess you ain't even a man enough to handle what I sing	(repeat and fade out)
If you look back in history it's a common double standard of	
society	
The guy gets all the glory the more he can score	
While the girl can do the same and yet you (2) her	
a whore
