The Number Of The Beast by Iron Maiden

vvoe to you (On) earth and sea	in the mist, dark figures move and twist
For the Devil sends the beast with wrath	Was all this for real, or just (6) kind of hell
Because he knows the time is short	Six, six, six the number of the beast
Let him who hath understanding reckon	Hell and fire was spawned to be released
The number of the beast for it is a human number	Torches blazed and sacred chants were praised
It's (1) is six hundred and sixty six	As they (7) to cry, hands held to the sky
I left alone, my mind was blank	In the night, the fires burning bright
I (2) time to think	The ritual has begun, Satan's (8) is done
To get the memories from my mind	Six, six, six the number of the beast
What did I see, can I believe?	Sacrifice is going on tonight
That what I saw (3) (4) was real	This can't go on, I must inform the law
And not just fantasy	Can this still be real or just some crazy dream
Just (5) I saw	But I feel drawn towards the evil chanting hordes
In my old dreams	They seem to mesmerize
Were they reflections	Can't avoid their eyes
Of my warped mind staring back at me	Six, six, six the number of the beast
'Cause in my dreams	Six, six, six the one for you and me
It's always there	I'm coming back, I will return
The evil face that twists my mind	And I'll possess your body and I'll make you burn
And brings me to despair	I have the fire, I have the force
Yeah!!!	I have the (9) to make my evil take its cours
The night was black, was no use holding back	
'Cause I just had to see
