Soldier blue in the barren wastes Hunting and killing for game

## Fill in the gaps

## Run To The Hills (Live) by Iron Maiden

vnite man came (1) the sea	Raping the women and wasting the men
le brought us pain and misery	The only (4) Indians are tame
le killed our tribes, he killed our creed	Selling them whisky and taking their gold
le took our game for his own need	Enslaving the young and destroying the old
Ve fought him hard, we fought him well	Run to the hills
Out on the plains we gave him hell	Run for your lives
But many came, too much for Cree	Run to the hills
Oh) will we ever be set free?	Run for your lives
Riding (2) dustclouds and barren wastes	(Ohoh oh)
Salloping hard on the plains	Run to the hills
Chasing the redskins back to (3) holes	Run for (5) lives
ighting them at their own game	Run to the hills
flurder for freedom, a stab in the back	Run for your lives
Vomen and children and cowards attack	Run to the hills
Run to the hills	Run for your lives
Run for your lives	Run to the hills
Run to the hills	Run for (6) lives
Run for your lives
