

## Fill in the gaps

(This song is called Wait and Bleed)	Makin' my mind up and takin' your (14) away
I've felt the (1) up in me	I've felt the hate rise up in me
Kneel down and (3) the stone of leave	Kneel down and (15) the stone of leave
I wander out where you can't see	I wander out where you can't see
Inside my shell, I wait and bleed	Inside my shell, I wait and bleed
I've felt the hate rise up in me	I've felt the hate rise up in me
Kneel down and clear the (4) of leave	Kneel down and clear the stone of leave
I wander out (5) you can't see	I wander out where you can't see
Inside my shell, I (6) and bleed	Inside my shell, I (16) and bleed
Goodbye!	Goodbye!
I wipe it off on tile, the (7) is brighter this time	You haven't learned a thing
Everything is 3D blasphemy	I haven't changed a thing
My (8) are red and gold	My (17) was in my bone
The (9) is (10) straight up	The pain was always free
This is not the way I pictured me	You haven't (18) a thing
I can't control my shakes!	I haven't changed a thing
How the hell did I get here?	My (19) was in my bone
Something about this, so very wrong	The pain was always free
I have to laugh out loud, I wish I didn't like this	I've (20) the hate rise up in me
Is it a (11) or a memory?	Kneel (21) and clear the stone of leave
I've felt the hate rise up in me	I (22) out where you can't see
Kneel down and clear the stone of leave	Inside my shell, I wait and bleed
I (12) out where you can't see	I've felt the hate (23) up in me
Inside my shell, I (13) and bleed	Kneel (24) and clear the stone of leave
Get out of my head	I (25) out where you can't see
'Cause I don't need this!	Inside my shell, I wait and bleed
Why I didn't I see this?	And it waits for you!
