

Fill in the gaps

I'm in conniptions for the final act you came here for
The one derivative you manage is the one I evolve
I (1) a minute to eliminate from everyone
Everyday abusive things that you (2) done
Your impossible ego ****
Is like a megalomaniacal tab on my tongue
And if you touch me I will rip you apart
I'll reach in and take a bite out of that
Bitch you call a heart
I know why you (3) me
I know why you plague yourself
I (4) why you blame me
I (5) why you plague yourself
I'm turning it around like a knife on the shelf
I wanna understand why but I'm hurting myself
I haven't seen a lot reasons to stop it
I can't just drop it
I'm just a bastard, but at (6) I admit it

At least I admit it!
I know why you blame me
I know why you plague yourself
I know why you (7) me
I know why you plague yourself
I know why you blame me
I know why you plague yourself
I know why you blame me
I know why you (8) yourself
I know why you blame me
I know why you blame me I know why you plague yourself
